Maxitia Project Inc. congratulates Lorena Ramos, AAS-MA, on her election as a board member of LUPE Fund Inc. This is a well-deserved honor for Lorena and represents another milestone in her progression as a community leader and educator.

The LUPE Fund Inc. is an organization that has been leading the way for Latinas in helping to advance our society. In 2003,

several Latinas who had an average of more than 20 years of experience in law, education, human services, business, and public policy came together to form LUPE Fund Inc. They aimed to increase the involvement of Latinas in the political and policymaking realms.

LUPE Fund Inc.'s mission is to educate, empower, and engage Latinas to promote leadership and civic engagement. LUPE Fund Inc. aims to make positive impacts on public policy that are relevant to Latinas and their families. The LUPE Fund Inc. board members represent a broad range of Latina community leaders from various sectors of society. They are all professionals and leaders who excel in their areas of

expertise. Their wealth of experience is essential for LUPE Fund Inc.'s many innovative programs.

As the Latino community develops and becomes one of the foundations of American society, LUPE Fund Inc. is at the forefront of the process. Building strong leaders who can advance quality of life issues for diverse communities in New Jersey requires the critical use of education and civic engagement for young women at this time.

Maxitia Project Inc. is confident that Lorena Ramos will enhance the work done by the LUPE Fund Inc. Just as she is an asset to our community-based programs. Lorena is our New Jersey Community outreach coordinator. Our highly successful programs in New Jersey have been made possible by her leadership and knowledge of the Latino community in New Jersey.

Maxitia Project Inc. supports the LUPE Fund Inc. and its excellent work. We are confident that Lorena Ramos, AAS-MA will be an asset to LUPE Fund Inc.
